Dear ...

Date: 2018.11.15

Invitation letter

You are cordially invited to meeting “Mongolian script encoding – 2018”, that will be held on 20th of November, 2018 in Ulaanbaatar.

The aim of the meeting is to review and analyze the proposed solutions for Mongolian script encoding in Unicode standard and to make recommendations. Currently, there exist several legacy encodings and solutions, thus it's necessary to meet an agreement finding the best transitional solution. The active participation of vendors, encoding experts and officials is essential for the meeting.

All interesting and relevant parties from Mongolia will attend.

We are looking forward to meet you at the meeting.

In the appendix you will find detail information.

CEO of Bolorsoft LLC:

Ch. Munkhnaran

“Mongolian script encoding - 2018” Meeting instruction

The goal of the meeting:

- To clarify current situation of Mongolian script in public area
- To unify our ideas and proposals as promised at San-Jose meeting.
- To choose and discuss the best transitional solution.
- To find the possible best solution for modern usage of Mongolian script
- To make contribution for the Mongolian Ad Hoc Meeting of April 2019.
